This newly constructed single-level Fountaingrove home for sale was built by Christopherson Builders known for their quality construction, high standards, post build follow-up & pride of workmanship. The owner of this property spared no expense adding only top-shelf finishes & amenities throughout including wide plank French Oak flooring, high-quality appliances, a Wolf range, custom cabinetry, stone counters, large center island, white stone counters, open great-room floor plan, custom Master Bath & much much more. Everything in this home is a step above. This property sits down a long private driveway on a flag-lot that's perfect for families with children or for buyers looking for privacy & exclusivity within a great neighborhood location. There is a community park, lake & trails within walking distance as well as the Fountaingrove Golf & Athletic Club nearby. This neighborhood is very convenient to Hwy 101, just a few minutes to downtown Santa Rosa, Windsor & Healdsburg.
